- Please read at least three times per week with your child.

- **Addition and subtraction**— written methods.
- **English**—Fractured fairy tales, poetry and reports.
- **Science**—Rocks and soils—Light and Shadows.

Homework...

Homework is an essential part of your child's learning as it reinforces key concepts and consolidates learning that has taken place in the classroom. It should always be fun though — little and often is always best.

- **Reading** - we would like your child to read to someone at home at least **three** times per week.
Children can change their own reading books on any day.
Please ensure your child's reading book is in school every day.
- **Maths** - My Maths is set weekly on a Thursday (3PS and 3LB) and should be completed by the following Thursday. Friday for 3JR.
- **Brain Builder** - we will send this home with every new topic with a list of tasks for the children to choose from.
- **Spellings** - each week new spellings will be given to the children. These are available on the school website. (Download the Roseacre APP for ease of access.)

Weekly routine / days to remember...
