

Top tips

- Please label all clothes very clearly. The children are learning to be more responsible for their possessions but this takes time!
- Please practise fastening buttons and getting dressed and undressed as this will help them when the children are getting ready for P.E.
- Please hand in completed homework on time.
- Please read every night with your child.
- The children should bring in a named bottle of water so they can have regular drinks throughout the day.

Homework...

Homework is an essential part of your child's learning as it reinforces key concepts and consolidates learning that has taken place in the classroom. It should always be fun though—little and often is always best.

- **Reading** -we would like your child to read to someone at home **every night**. Reading books will be changed on a **Monday, Wednesday** and **Friday** but please ensure your child's reading book is in school every day.
- **Maths** - My Maths is set weekly on a Thursday and should be completed by the following Thursday. If you are unable to access My Maths please ensure the Brain Builder Maths activity is completed.
- **Brain Builder** - we will send this home with every new topic with a list of tasks for the children to choose from.
- **Phonics and Spellings** - each week new sounds/words will be published on the website. Children will be given a spelling test every **Monday** with these sounds/words.

Weekly routine / days to remember...
