## Homework...

Homework is an essential part of your child's learning as it reinforces key concepts and consolidates learning that has taken place in the classroom. It should always be fun though—little and often is always best.

- Please read at least 3 times per week with your child and sign their reading records—**these need to be handed in each Friday**. Reading books can be changed as they are finished but it will be your child's responsibility to change it.
- Help your child learn their times tables to 12x12.
- **Spelling lists will be available on the Academy Website each Monday**. The spelling test will be the following Monday.
- **English homework will be set every Monday** and needs to be completed and returned the following Monday.
- **My Maths is set every Monday** and should be completed by the following Monday.
- Optional daily homework will be provided for the two weeks prior to SATs.

## Weekly routine / days to remember...
