Homework

Homework is an essential part of your child’s learning as it reinforces key concepts and consolidates learning that has taken place in the classroom. It should always be fun though—little and often is always best.

- **Reading** - we would like your child to read to at least **three** times per week. Children can change their books on a Monday, Wednesday and Friday. **Please ensure your child’s reading book is in school every day and is signed every time they read.**
- **Spellings** are due on a Monday. Please check the website for these.
- **Brain Builder** - we will send this home at the end of the term with a list of tasks for the children to choose from.
- **Maths and English** homework will be set using Education City from the summer term. Login details have been sent home by letter.
